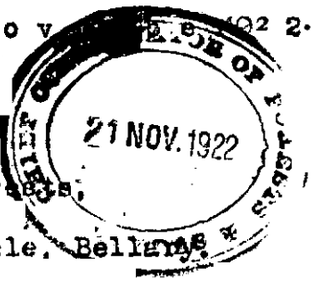
Dated 20th Nov 1922.



From (Name) A. B. Jackson Esq.,
(Designation) Conservator of Forests,
(Address) II Circle, Bellary.

To The Chief Conservator of Forest

Madras.

Sir,

I have the honour to state that I understand that the III Circle of the Public Works Department is about to be abolished and that the Head - Quarters of the new Circle will no onger be at Bellary

2 I would, therefore, suggest that application should be made that the residence of the Superintending Engineer should be allotted to the Conservator of Forests.

3 The house is Government property and is a very good one and not in the Cantonment and is in every way suitable as a residence for the Conservator. The rent is at present Rs 155/- and the Executive Engineer whom I have consulted on the matter, says that he would personally have no objection to its being allotted to the Conservator.

4 The house I am occupying at present is small and in the Cantonment and I am liable to be turned out of it at any time if it is required by a Military Officer. If you agree with me as to the desirability of obtaining this house, application should be made without delay.

of obtaining a good permanent residence for the Conservator ought to be missed.

I have the honour to be,

Sir,

Your most obedient servant,

20/11/22

Conservator of Fore..., II Circle, Bellary.

Ref. No. 4-1/23 General.

Station Madras. *Dated the* 8th Jan. 1923.

From (Name) Major General Sir Gerald G. Giffard, K.C.I.E. C.S.I., K.H.S, I.M.S.,
(Designation) Surgeon-General with the Government of Madras.

To The Secretary to the Government of Madras,
LOCAL SELF GOVERNMENT (PUBLIC HEALTH) Department.

Sir,

I have the honour to forward herewith a copy of a letter from the District Medical and Sanitary Officer, Bellary C.R.No.8 dated 3rd January 1923, and to recommend that in the circumstances mentioned in it the present quarters of the Superintending Engineer III Circle be reserved for the residence of the District Medical and Sanitary Officer, Bellary when they fall vacant.

I have the honour to be,
Sir,
Your most obedient servant,

Major-General I.M.S.,
Surgeon-General with the Government of Madras.

Copy of a letter C.R.No.8 dated the 3rd January 1923, from the District Medical and Sanitary Officer, Bellary, to the Personal Assistant to the Surgeon-General with the Government of Madras.

I have the honour to inform you that orders have been passed by Government abolishing the office of the Superintending Engineer, III Circle, Bellary, latest I believe, from 1st April 1923 in the retrenchment scheme. The Superintending Engineer has got Government quarters His quarters are situated within 200 yards of the Head Quarter Hospital. It is absolutely necessary that this bungalow should be reserved for the residence of the District Medical and Sanitary Officer in the interests of the institution. So far as I can see, it cannot be of much use to any other officer in the District. At present the District Medical and Sanitary Officer, has no Government quarters and there is no building anywhere within a radius of 3 miles of the Hospital suitable for his residence. For want of a suitable building the District Medical and Sanitary Officer always lived in the Cantonment which is over 3 miles from the hospital. The inconvenience is very much felt and the interests of patients in the hospital often suffered-any urgent call from the hospital on account of either a serious case or urgent postmortem takes no less than 2 hours if not more to bring him to the hospital.

I have to add that all the bungalows in the Government have now been requisitioned by the Military authorities on account of the regiment now located in Bellary. I have myself been given notice to quit my bungalow and I have no other building to move into.

I have explained the difficulties to Mr.A.C.Duff I.C.S., Collector and consulted him in the matter. He fully approves that the present quarters the Superintending Engineer when he vacates them, should be reserved to the District Medical and Sanitary Officer and it is an urgent necessity to do so both in the interests of the hospital as well as the officer himself. He has also informed me that on a request from the Forest Department for the bungalow he has endorsed that he thinks it should be reserved to the District Medical and Sanitary Officer.

I may add that the maximum rent assessed by the D.P.W. is Rs.120/- per month and Government will not lose in the shape of rent. Even with me as District Medical and Sanitary Officer, 10 per cent of my pay comes to Rs.120/- which I am quite prepared to pay though it is double the rent of the bungalow I am at present occupying in the Cantonment.

I request you will be pleased to address Government early on the matter and obtain the necessary sanction to give it to the District Medical and Sanitary Officer as his quarters.

To The Chief Engineer, P.W.D.

Sir, Subject :--Superintending Engineer's Residence

I request early orders on my letter No:9253 dated 28th December 1922 in regard to the allotment of the Superintending Engineer's residence at Bellary to the Conservator of Forests or the District Medical and Sanitary Officer, Bellary In the absence of orders I shall hand over the building to the Executive Engineer, Bellary Division when I leave Bellary on the abolition of this Circle.

If there is any likelihood of the Circle being revived when funds become available the building might be retained in the Department as the Superintending Engineer's Bungalow and allocated temporarily to any suitable officer with the approval of Government

H. Tireman Esq.,

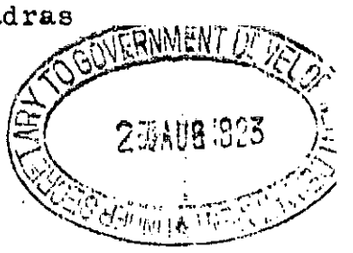
Ag. Chief Conservator of Forests,

Madras

To

The Secretary to Government.

Development Department.



Sir,

I have the honour to invite your attention to the question of the transfer of the Superintending Engineer's bungalow at Bellary to the Forest Department to be used as a residence for the Conservator of Forests, II Circle, whose head-quarters are at Bellary. but I cannot trace any record in my office bearing on this question, I understand unofficially that the matter is now engaging the attention of Government. A residence is very urgently required for the Conservator who informs me that although he has obtained a bungalow for the present, he will be turned out of it by the Cantonment authorities in October. There is no other place in the Circle where the Conservator can conveniently have his headquarters and although it is possible that if my proposals regarding the removal of minor forests from the control of the Forest Department are approved by Government, the II and III Conservators' Circles may be amalgamated into one, I know of no other place than Bellary for the headquarters except possibly Madras where the high cost of living renders it difficult to post an officer. I therefore request that Government may be pleased to order the Superintending Engineer's bungalow to be handed over to this Department.

7/12/22

5/5 —

A draft memo the S.E. III circle is accordingly submitted

C.T.P. 12/12

[Issued memo. No: 3867 Ac-1 dt 13.12.22]
No. 4208 Ac. from the S.E. III circle No. 7253 dt

D.S.

Submitted

2/ The rent fixed for the building is Rs 153 pm The S.E says that if the Conservator is given the residence he could pay the full rent The D.M.S may then occupy the quarters in the Cantonment which will be vacated by the Conservator The remarks of the D.S (PH) & Secy Depts may perhaps be noted Formal orders abolishing the III circle have not yet issued

14/12

In the sep letter (Pts 6-8 CF) now added to the file recommends that the bungalow in question should be reserved for the ~~AMO~~ Bellary. This appointment one of those reserved for Army officers average pay Rs 1950 permanent incumbent of the appointment Lt-Col P.L. O'Neill (~~salary~~ Rs 1750.) now on other duty therefore quite likely that the normal rent of the quarters viz Rs 153 will generally — available even if the quarters are assigned to the AMO The present incumbent is also prepared to pay 10% pay Rs 120 pm

Figure reported by the AG for purposes of calculation the permissible outlay quarters for one officer

It is highly necessary in the interests of medical relief that the AMO should be as near the hospital as possible: The building now in question is situated next to ~~the~~ hospital and it is therefore

This file relates to the provision of residence to the Conservator II Circle. The head quarters of the Conservator is at Bellary. Considerable difficulty has been felt in finding a suitable accomodation for the Conservator. There was a proposal to purchase Battery Mess House at Bellary for the Conservator. The proposal was dropped as it was reported that the building was not worth having - vide correspondence in G.O.No.1393 dated 29-7-1921.

2 It is now stated that the residence of the Superintending Engineer III circle will be available shortly as the circle has been abolished. There are two claimants to this bungalow (1) the Conservator (2) The D.M.&S.O At the instance of the Surgeon-General the L.S.G. Dept. press that it should be allotted to the D.M.& S.O — Vide their note at P3 supra.

Clearly, the Conservator D.M.S.O is a senior officer. He may not always be so. A Conservator must be.

5.2.23

As regards the claims of the Conservator it may be pointed out that he is an officer of superior status to that of the D.M.& S.O and it seems necessary in the public interests that he should be provided with decent quarters as early as possible. It may further be pointed out that he was also the first to move in the matter - his letter to the C.C is dated 20-11-22 while that of the D.M.& S.O to the Surgeon-General is dated 3-1-23.

page 1 cf
page 7 cf.

It is for consideration whether this Dept. may press that the claims of the Conservator should have precedence over that of the D.M.& S.O.

30/4/23

30/4/23

4-5-23

In renting Govt. Buildings to Govt. Officers there are I think 2 ways of fixing the rent

(1) Economic rent

(2) 10 p.c. of the salary of the Officer

If this view is correct I do not see why the building can not be rented to D.M.O.C with the rent fixed at 10 p.c. of the salary of that Officer. It is true the D.M.O.C may some times get less than Rs 1680 per mensem if the rent re-coverable from him maybe less than 15% rupees. But in view of the importance of the Central situation of the D.M.O.C quarters the building may, if my Hon'ble Colleague 2nd agrees to reconsider be rented to D.M.O.C.

Fit Ct. 3854 BZ
22.5.23

Finance Dept

Under Rule 45 (b) of the Fundamental Rules, the occupant of a Govt residence should pay rent which should not exceed the standard rent which

The Local Govt may fix for the residence at 10 per cent of the occupant's emoluments whichever is less There is therefore no infringement of the rules, if ~~accordingly to~~ the residence is allotted to an officer who pays 10% of his pay as rent and the fact that there is another office who is prepared to pay a higher rent does not affect the question, so far as the rules are concerned

It is however submitted that the provision of residences for Govt officers is in effect a concession and the Govt should act in the case of a private landlord, try to get the best economic return on the capital invested In the present case, it is stated that if the residence previously occupied by the Superintending Engineer, 3rd circle is allotted to the Conservator of Forests, Bellary, the Govt will always get

M.'s move on top 8 ante

The Standard rent on the building (Rs 1,153) while if it is allotted to the W.M. 85.0, the Govt. may not always get the full rent. (The present emolument of W.M. will be only Rs 120, if the residence is allotted to him Submitted keeping from the financial point of view it may be urged that the residence in the present case should be allotted to the Conservator of Forests

W 26.5.53

Also as provided vide by C's on p. 5 ante if a residence has to be built it will be easier (that is I take it less costly) to build for the D.F.O.

26/5/53

The bungalow may be allotted to the Conservator who will pay a economic rent PWD 29/5/53

Please see M$_3$'s note on p 9 ante and the finance dept note on the subsequent pages. That dept is in favour of allotting the bungalow to the Conservator. The file may be circulated to M$_3$ and M$_1$.

X.R
16.6.23

The question is not one of Economic rent but the application of rules. Under the rules, either the old standard rate a 10% of the pay of the officer - Modified Standard rent is based on the fair value of the house & the latter is based on the salary of the officer as fixed - I have not heard any reason against the application of the latter rule in the present case. I am inclined to allot the house to the D.F.O. under these rules Comm Agrees. Finance said some to pay 10% rule

The proposal virtually means the reduction of the rent from the standard to the 10% limit of the officer putting in occupy it will form a somewhat undesirable precedent unless some limit is fixed to the reduction possible on the part of the officer e.g. the Acting Director of Kellner Range only Rs 700/- @ 10% would be Rs 70/

JKR
8/6/23

8/6/23

This should now been sent on to Hon C.

JKR
16/6/23

C,

2. The notes on the rules have so far concerned themselves only with the question of standard rent and the levy of 10 per cent and Finance have pressed for assignment of the house to the officer who is most highly paid on the average on the ground that by that means Government will be more certain of recovering the standard rent in all cases.

3. I think that in taking this line they have overlooked Fundamental Rule 45 (a). This states that "the scale of accommodation supplied shall not exceed that which is appropriate to the status of the occupant". We are prohibited from giving an officer the advantage of the 10 per cent rule in such a way as to secure to him at that favourable rate of rent a house which provides a scale of accommodation out of proportion to his status. If, however, the scale of accommodation afforded by the house in question is not excessive for an officer of a standing of the D. and S.C., then it seems to me that the decision between him and the Conservator of Forests may be taken on general considerations without regard to the fact that in the one case the return to Government would be more certain than in the other.

19.6.47

Please see C$_1$'s remarks on the previous page.

Rule 45 (a) of the Fundamental Rules lays down that when Govt. supplies a Govt. servant with a residence, "the scale of accommodation supplied shall not exceed that which is appropriate to the status of the occupant" With reference to these rules, orders have not yet been issued by this Dept fixing the scale of accommodation for each class of officers. The question was however considered, but orders thereon have been deferred pending orders on another questioh i.e. in regard to the levy of a flat rate of rent for Govt residences which is under consideration separately under the orders of C$_1$

In the file referred to at A above, the different classes of officers have been grouped into 7 groups and figures have been worked out by this dept. fixing the area of accommodation that may be allowed for officers of the different groups Vide the statement at p.p. 14 and 15 in the printed notes flagged (V) It will be seen that Conservators of Forests (Pay Rs.1,750 to Rs.2,150) and I.M.S.officers on Rs.1,500 and above are put into one class viz. class IV and I.M.S. officers below Rs.1,500 in the class next below Viz class V.

The scale of accommodation proposed for each of the two classes of officers is as below:-

Conservators of Forests and I.M.S.officers on Rs.1,500 and above-Class IV	I.M.S.officers below Rs.1,500--Class V
5,000 Sq.feet besides porch	4,000 sq.feet and no porch
5 servants quarters	4 servants quarters
2 Garages	1 Garage
2 stables	2 stables
Kitchen and larder,450 sq.ft.	Kitchen and larder 400 sq. feet

The accommodation available in the S.E's residence at Bellary is 12,900 sq.feet excluding outhouses and stables. As this accommodation is out of proportion to the status of either the Conservator of Forests or the D.M. and S.O. (even taking into account I.M.S.officers

on Rs.1,500 and above), it seems that, in accordance with C1's view at M3 in para 3 on p.14 ante, the house will have to be given to the Conservator of Forests, who will always pay the standard rent fixed ~~for it~~.

The case may be circulated to M3 and C1

)o/Camp. Office of the Chief Conservator of Forests,
(Camp) Ootacamund, 17th May 1923.

Dear Mr. Ramalingam Ayyar,

Would you kindly refer to the question of handing over to the Forest Department for use as residence for the Conservator of Forests of the Superintending Engineer's bungalow at Bellary. Mr. Jackson who was recently Conservator at Bellary told me that proposals had been submitted for handing the bungalow over to us but I can't find anything in my office on the subject and from a telephone message received from your office in Madras I gather that final orders have not yet been passed and that the file is in circulation. The matter is an urgent one as although there is no Conservator at Bellary at present Mr. Whitehead District Forest Officer, Nilgiris, has been posted to act as Conservator, Bellary and he will be joining his appointment at the end of this month and unless he can use the Superintending Engineer's bungalow he will have nowhere to live as I understand that it is practically impossible

to obtain a bungalow at Bellary. If it is likely that there will be delay in settling the matter could you permit Mr. Whitehead to occupy the bungalow at Bellary until the question is finally decided.

Yours sincerely,

To

M.R.Ry. Diwan Bahadur

A.V. Ramalingam Ayyar, Avl., B.A., B.C.E., M.I.E., (Ind)

Chief Engineer, P.WD., (Camp) Cotacamund.

In addition to the Conservator of Forests the claims of the D.M.S.O. for the occupation of the Quarters have also been pressed on the ground that it is administratively convenient to accommodate him in the S.S. bungalow. However between the two officers in the Conservator of Forests and the D.M.S.O. the question payable by the Forest will be the normal rental of the building and we do not see any reason why the excess of what can be recovered from the D.M.S.O. under para 6 Civil Estt. Code should be borne by the Forest. We ordered that the case should be referred to Finance for remark as to whether in the circumstances it was permissible to allot the bungalow to the D.M.S.O. for payment of the lower rental. The position as to who should occupy the building is thus uncertain now as the building has been vacated from the date of its vacation by the S.S. and the Govt are losing the rent of the bungalow. The Conservator may perhaps be permitted to occupy the bungalow subject to the condition that it is vacated by him immediately if the Quarters are not assigned to him by Govt. We approved

The following draft official reply might perhaps be sent to the Chief Conservator with his approval if necessary.

No 3867 Accts/22-6

3867/22

Dear Mr Tiernan

Yours d.o. dated 17th instant re S. Ed. bungalow at Bellur

The matter is complicated by the fact that there are too many applicants for the quarters

The question as to who should occupy the bungalow is still under the consideration of Govt. that the building may be occupied by the Conservator in the meantime subject to the condition that it is vacated by him immediately in the event of the quarters now being assigned by Govt. to him finally

As soon as orders of Govt are received, I shall let you know

Yours sincerely

30/5

H. Tiernan Esqr.
Chief Conservator of Forests.
